ABOUT

I am an accounting student at The Open University of Israel, looking for a student role in accounting or finance, ideally as an Assistant Controller. I enjoy digging into the numbers, understanding what they say about a business and turning them into clear, useful information. Alongside my studies, I have built projects using revenue data, Excel and Power BI. I am looking for a team where I can learn the work firsthand, gain practical experience and grow in the field.

EDUCATION

The Open University of Israel - B.A. in Accounting | 2025-present

Coursework: financial statement analysis, accounting principles, statistics and quantitative methods.

Amit Gutwirth High School - Full matriculation; Physics and Computer Science tracks | 2013-2019

SKILLS & TOOLS

Accounting & finance: Financial statement analysis, accounting principles, revenue metrics, management reporting and data validation.

Tools: Excel (PivotTables, XLOOKUP, Power Query), Power BI (DAX), SQL and Python (Pandas).

Transferable skills: Coordination, following procedures, accurate recordkeeping and working with people.

FINANCIAL PROJECTS

Car Company Sales & Revenue Analysis (Power BI) | [GitHub](#)

- Turned four raw Excel workbooks into a data model and a five-page interactive Power BI report.
- Built about 31 DAX measures to analyze revenue, profitability, discounting, inventory and payroll.
- Used the report to show where revenue is generated and where it leaks, including discounts and lost pipeline.

Customer Churn and Revenue Analysis | [GitHub](#)

- Built a PostgreSQL ETL process to clean, de-duplicate and validate 22.98M subscription billing records.
- Calculated MRR, ARPU and LTV and created a four-page Power BI report for revenue and customer metrics.
- Documented data-quality rules, checked cross-table integrity and identified about NT\$13.8M in monthly revenue at risk.

EXPERIENCE

Team 3 - Shift Supervisor, Security & Access Control | 2023-present (alongside studies)

- Prepare work schedules for the security team, arrange shift coverage and support the team.
- Manage access for employees, vendors and visitors, keeping records in line with site procedures.

Midor LeDor Association - Project Coordinator, Pre-Military Programs | 2022-2023

- Coordinated several projects at the same time, including schedules, goals and work plans.
- Ran workshops for teenagers and stayed in touch with participants and program staff.
- Worked with Sderot Municipality contacts and coordinated with the association's team.

Israel Defense Forces - Infantry Soldier, Nahal Brigade | 2020-2022

- Completed full combat service as an infantry soldier in the Nahal Brigade.
- Worked with discipline and personal responsibility, remaining composed and focused under pressure.

LANGUAGES

Hebrew - Native | English - High proficiency (reading, writing and speaking) | Russian - High proficiency
